Dear Parents of Year 6

I am writing on behalf of all the staff who accompanied the Year 6 children on their trip to Paris. We wanted to let you know how beautifully behaved they were throughout the week; they were a real credit to the school, themselves and you as their parents.

The children were so enthusiastic about all the aspects of the visit and extremely well behaved. We were so impressed by the level of maturity that they all demonstrated right from the start of the trip. They were kind and caring to each other, listened well to instructions and were very respectful to everyone around them.

Despite incredibly high temperatures at the snail farm, they listened respectfully to Nadine, the snail farmer, and asked interesting, relevant questions. They were polite at the market, trying hard to use their French and interacting politely with members of the public. On the Bateaux Parisien, other tourists complimented the children on their behaviour and how they conducted themselves. They all took so much interest in all the buildings and scenery while on the tour and loved waving at the people nearby.

We were all so impressed by how well they handled the day at Disney; they listened and followed instructions so carefully, waited patiently in line and stayed together well while in crowded areas. They were also incredibly thoughtful to one another while in the shop, helping with decision making and showing great excitement at buying presents to bring home.

All the staff at the chateau commented on the way the children conducted themselves around the centre on and off site. The children listened carefully to the rules they were given, following them at all times. Even during an unexpected fire drill, the children behaved maturely and respectfully. Our bus driver, Craig, also said that he was impressed by how calm and sensible the children were on the coach.

All the staff had a great time with the children. It was a real pleasure being with them for the week, sharing in their experiences and enjoying their company.

We are very proud of them, and we look forward to enjoying their last year with them at St Peter's.

Nic Baykaa-Murray
