Best Friends

If you were a mouse and I were a buzzard
I wouldn't catch you

If you were a chip and I was a seagull
I wouldn't snatch you

If you were paper and I were scissors
I wouldn't cut you

If you were a golf ball and I was a golf stick
I wouldn't putt you

If you were a fish and I was litter
I wouldn't kill you

If you were a glass of squash and I was a person
I wouldn't spill you

If you were a human I'd be a boat
And let you row on me
And we will be best friends from now
Until eternity.

If you were a Turtle and I were a seagull
I wouldn't butt you

If you were scissors and I were paper

If you were a flower and were a person

Best Friends

If you're bricks and I'm cement
I wouldn't make you
If you're a vase and I'm an adult
I wouldn't break you

If you're a home and I'm a bomb
I wouldn't brick you
If you're a cake and I'm an oven
I wouldn't bake you

If you're a bone and I'm a dog
I wouldn't take you
If you're a child and I'm an adult
I wouldn't hate you

If you're a bee I'd be a flower I'd let
You rest on me we'll be best friends
From now until eternity.

And rely on me beyond infinity.
