Easter Competition 2023

Dear Parent/Legal Guardian,

We are writing to you from Thornbury Radio, the local radio station for Thornbury and the surrounding area. We are a community radio station, run not for profit, with studios in the heart of Thornbury. We have been broadcasting online between 2019-2021, since then we have launched on FM in June 2021 and most recently applied for a DAB license!

Thornbury Radio is the radio station of choice for local residents and aims to give a voice to those living within Thornbury and around a 10-mile radius of the town. We have recently surpassed 71,000 listening hours a month, meaning our great work is beginning to really resonate with residents in our local area. You can find out more and listen via our website: <http://thornbury.radio/>

We are once again running an Easter competition for local primary school children (see poster attached and on the webpage below). To enter, all your child has to do is simply record a 15 second voice clip on why Easter is so good, for their chance to win an Easter egg!

There is one prize per primary school. The competition is free to enter. The closing date for entries is **Friday 31st March 2023** and full T&Cs are on our website: (<https://www.thornbury.radio/easter-competition-2023>)

- We want your child (with the help of an adult if needed) to record a 15 second voice clip starting "I like Easter because...."
- Use a smart phone, laptop, tablet, etc. (most of them make recording a clip easy).
- Email the entry to win@thornbury.radio with your child's name, age and school.
- All entries must contain a statement of consent to take part in the competition by a parent/legal guardian.
- Entry to the competition assumes acceptance of the terms and conditions which can found here: (<https://www.thornbury.radio/easter-competition-2023>)

Good luck!

Best wishes,

Thornbury Radio Team
