Questions

Welcome to year 1/2!

If you have any questions, we will answer them at the end of the session.

PE

Monday & Friday for term 1 and 2.
Children must wear their PE kits to
school on PE days.

We will be outside, so make sure they
have appropriate kit on.

Our Class Charter

We listen and we don't interrupt

We are kind and helpful

We are gentle and we don't hurt others

We work hard and try our best

We are honest

We look after property - ours and schools

Dream, Believe, Achieve

"All things are possible." Mark 9:23

Homework

Homework will be given out every Friday on Google Classroom and is expected to be handed in/uploaded on the following Thursday. Homework mainly consists of spellings to practise, reading and spending some time on the Numbots app. I will also add in some maths information about what has been taught that week. Numbots logins are in reading records.

Some weeks there will also be a home work related to our curriculum/topic.

Please listen to your child 3 times per week and comment/sign in their reading record.

Homework for year 1 will hopefully start next week – We are awaiting their Google Classroom logins.

School News App

Website and School News App

Please regularly check our class page on the school website for any important information and news. Most information is also available through the School News app which can be downloaded onto both Apple and Android phones.

Online safety is a shared responsibility!

At School:

We teach the children how to be safe online, how to use the internet responsibly and closely monitor their use.

At home:

We need you to reinforce what is being taught at school, know what applications are age appropriate and closely monitor your child's use of the internet.

Instagram

Tik Tok

Snapchat

Musical.ly

**All of these applications have age limits!
Children must be 13 years old to use them!**

WhatsApp

YouTube

Fortnite

Dream, Believe, Achieve

"All things are possible." Mark 9:23

USE OF THE INTERNET

Children get the opportunity to develop their internet skills in all subject areas. They are taught how to use the internet safely and how some information found on the internet can be unreliable. During computing lessons children have specific E-safety lessons. They are taught the SMART e-safety rules as well as being taught online research and note taking skills.

As a duty of care, teaching staff will inform a member of the Senior Leadership Team or a member of the Computing Team if they have evidence of children using websites or applications that are not appropriate for them. This includes sites and applications that children are using at home. The Computing Team or SLT will follow this up with both the child and parent and report the child to the company concerned.

Many websites have an age restriction of 13 and over, and are therefore not suitable for any Primary aged children.

The following applications/sites are examples and are not an exhaustive list.

Application/Site	Age Restriction
Musical.ly	age limit 13+
Fortnite	age limit 12+
Instagram	age limit 13+
Facebook	age limit 13+
WhatsApp	age limit 13+
Snapchat	age limit 13+
YouTube channel	age limit 13+
Minecraft	has two age limit settings 7+ & 13+

School Policy

There is a clear section in our Computing policy that addresses use of the internet.
