PARKING, DROP OFF ZONE & CAR PARK

I am aware that this is a thorny issue around and about all primary schools up and down the country. When parking on your drop off or collection of the children at the start or the end of the day, please be considerate of the local residents; avoid parking across drives and park sensibly for the safety of all the children and yourselves. Please be guided by our 'traffic buddies' which we were fortunate enough to receive funding for and put in place earlier this year.

Please also remember that the drop off bays are designed for use by children who can get out of the car quickly and unaided so cars can move on swiftly and keep the traffic moving ensuring there is no backing up of traffic onto the road. If your child is not able to get out of the car unaided, please park on the road and walk your child into school. A member of the school's Senior Leadership Team is always standing at the gate to access the playground and monitors unaccompanied children coming up the path.

Finally, please note the following few reminders regarding the school car park: -

- The car park is only for use by staff and visitors to school, it is not for use at drop off and pick up times. Please ensure you advise any other family members or anyone else bringing your child in or picking them up of this
- The disabled parking bays are for use by blue badge holders only
- Please do not walk over or allow your children to walk over any area of the car park, vehicles can be moving at any time and we have had some near misses! Please use the footpaths

Thank you
