

Join our Poetry Please competition!

All Year 6 children across The Bridge Family of Schools are invited to take part in our Poetry Please competition. We would like you to choose your favourite poem and prepare it to perform to an audience. This could be a poem you have written yourself or a famous poem written by another poet.

Heats will take place in schools in May and then four finalists will be invited to perform to at the University of the West of England on the afternoon of Tuesday 25 June. This will be an opportunity to really showcase your performance skills in front of a live audience. There will also be poetry-expert judges giving feedback and selecting the final winners. Parents will be invited to watch and refreshments will also be provided!

If you would like to take part, please talk to your teacher for more details.
