Working together for
excellence

Friday, 13 September 2024

Dear Parents and Carers,

It is with great pleasure that I invite you to attend our school **Open Evening** event on Thursday, 26 September 2024 from 5pm - 8pm. I know that choosing the right secondary school for your child is one of the most important decisions you will ever make as a parent or carer, and it is right to take the time to explore all available options. Every child is unique and needs a particular environment and setting in which to flourish. Why not come and see whether Marlwood School is the right place for your child?

My staff and I will be delighted to meet with you and show you the things that makes Marlwood a caring, student-centred school. Being a smaller than average secondary school, we pride ourselves on disruption free learning and getting to know each child as soon as they enter the Marlwood family. Our dedicated teachers and support staff work hard to forge warm working relationships with our students and know exactly how to get the best out of each child during their time with us.

Come and see our refurbished state of the art classrooms and hear from some of our students, who are our true ambassadors. Our specialist subject teachers will be on hand to showcase their curriculum areas and answer any specific questions that you may have.

I will formally address prospective parents twice during the evening (at 5.30pm and again at 6.30pm) and will be on hand to answer any questions or queries that you may have.

We very much look forward to seeing you and your families on Thursday, 26 September 2024.

With best wishes,

Mrs Helen Simmons
Head of School
