Dear Parent/Carers

Re: SIAMS inspection report

I have the greatest of pleasure in sharing with you our SIAMS report from our inspection that took place on 4 October.

There are two judgements that could be given as a result of the inspection and we have been deemed to be worthy of Judgement 1 - The inspection findings indicate that the school is living up to its foundation as a church school and is enabling pupils and adults to flourish.

There are many strengths within the report – the main ones are listed at the start of page 1 with the two areas for development listed below. These are already being addressed.

Please do take the time to read the wonderful comments from the inspector, Ruth Williams, which list the special aspects that make St Peter's a great church school. In particular our pastoral care and support for the children, the enacting of our vision and belief in the children themselves and by the staff that they can do whatever they want to do and be in the future.

We are also pleased that the inspector recognised how strong our curriculum is in all areas and subjects.

Well done to the staff and children for such a great celebration of St Peter's Anglican Methodist VC Primary School.

Yours sincerely
