Total amount received: **£35, 940**

Area of spend	Contribution from pupil premium funding	Description of intervention	Intended outcome	How impact is measured	Impact
Support for residential activities and enrichment opportunities	£80 educational visits x 8 PP children in Year 6-£640	Financial support to allow for children to attend school trips, camps and any other enrichment activities which need to be paid for.	Children gain a wider and enriched school experience. Children develop a love of school and of learning.	Attendance of pupils on educational visits	Children whose families who are receiving PP funding and are not in a position to afford school educational visits can attend
Enrichment Opportunity	£88.60 x 6 adults=£531.60 £72.85 x 28 pupils=£2039.80 Total = £2,571.40	Day trip to London for all Pupil Premium pupils from Reception to Year 6, taking in the journey from Bristol Parkway to London Paddington, a trip to the Natural History Museum, a walk through Hyde Park and a tour of the South Bank.	To raise the aspirations of all pupils and give them a culturally rich experience that would be both memorable and impact positively on their wider education	Feedback from pupils/parents will show that children enjoyed the opportunity to see their nation's capital city and that it has inspired them	Feedback from pupils, parents/carers & staff members who attended was overwhelmingly positive
Breakthrough mentoring	£800	Breakthrough is an award winning mentoring scheme that helps vulnerable young people develop positive life skills and emotional resilience, enabling young people to realise their full potential. Coaches work at lunchtime to support with active and engaged play.	Working with a mentor encourages young people to develop greater confidence and self-belief and this is more effective when young people work with new people. We want children to develop their self-	Pupils will become engaged in new social situations. Pupils will have the opportunity to speak to someone and talk about worries.	Some reduction in inappropriate behaviour by pupil in KS1 following closer identification with key worker

			esteem and emotional resilience.		
Mentoring programmes/ELSA	£674.18	<p>Mentoring programmes to be run throughout the school day</p> <ul style="list-style-type: none"> • Sand tray therapy is a form of expressive therapy. Sand tray therapy allows a person to construct his or her own microcosm using miniature toys and coloured sand. The scene created acts as a reflection of the person's own life and allows him or her the opportunity to resolve conflicts, remove obstacles, and gain acceptance of self. • Emotional Literacy Support Assistants-Examples of things covered are Social skills, emotions, bereavement, social stories and therapeutic stories, anger management, self-esteem, counselling skills such as solution focused and friendship. • Stone Therapy • Daily mentoring 	<p>Children will become</p> <ul style="list-style-type: none"> • More engaged in learning • Feel like they are part of a community • Feel they can talk about their worries or anxieties • Increase in self esteem • Be able to access the curriculum more effectively 	<p>Children are provided with opportunities to talk about concerns they have and consequently feel less anxious, worried and overwhelmed.</p>	<p>Regular, weekly therapy sessions have helped children to express their concerns and feel more confident leading to a reduction in reported behaviours. Parents are more aware of their children's anxieties and feel more able to help</p>

Range of additional therapies in place including sand Therapy and the Nurture Group
The Nurture Group Programme	£8416.80	Nurture groups are short-term, inclusive, focused intervention that works in the long term. Nurture groups are classes of between six and 12 children. Children attend nurture groups but remain an active part of their main class group, spend appropriate times within the nurture group according to their need and typically return full time to their own class. Nurture groups assess learning and social and emotional needs and give whatever help is needed to remove the barriers to learning.	Children will be able to access the curriculum and return to class full time	Boxall profiles to be completed and measure data every three weeks to analyse progress	Children who attended Nurture were either able to return to the mainstream classroom or moved on to specialist settings.
HLTA and TA interventions	£11,312 approx.	Intervention work with small groups of identified children across all year groups. Increased levels of progress of identified children. Groups of no more than 4 receive Maths and/or English booster to secure accelerated progress and improved attainment. Social interventions as well as motor skills interventions such as Smart Moves that will overcome the pupil's difficulties in writing and manipulation of resources. Interventions will last for no more than one hour at a set time.	Children's knowledge and understanding in certain aspects of the curriculum will be increased and children will begin to make progress. Children will be given opportunities to cement their learning and skills, which they may not be able to do in a classroom environment	Children will make progress in relevant areas	Mid-term assessments in Reading, Writing and Maths (January 2017) indicate that gap between PP children and all pupils has diminished significantly so that outcomes are broadly similar
Support for children from	£4680		Children who need to access support will receive tailored	Children will make more than	Improvements in aspects of behaviour and

designated Pupil Premium Teacher			intervention to make further progress	expected progress in relevant areas	overall performance as above
Whole School Nurture Training	£650	Costs provides three members of staff (including one from management), training and an induction to the programme and the opportunity to develop initial thoughts on how to plan the next steps to implement nurture, throughout their whole school	Pupils benefit from the approach that supports them in their specific needs while delivering teaching and learning in a way that all can access. The pupil is at the heart of the school focus and their learning is understood developmentally.
