Attendance

- Attendance is most important to ensure that all children achieve their full potential and make the most of their time at school.
- Punctuality is also crucial to ensure children have the maximum time in school and do not miss vital starts to lessons each day.

- Parents should expect to be prepared to discuss any attendance issues with their child's class teacher whenever necessary, at parents evenings and informal meetings.
- Either Mr Smith or Mr BM will meet with parents and children when attendance falls below 95% informally initially and then formally when attendance falls below 90%.

ATTENDANCE MEANS ACHIEVEMENT

Online safety is a shared responsibility!

At School:

We teach the children how to be safe online, how to use the internet responsibly and closely monitor their use.

At home:

We need you to reinforce what is being taught at school, know what applications are age appropriate and closely monitor your child's use of the internet.
