Wednesday 17th September

Year 3 and 4 Scooter Training

Dear Parents and Carers,

We have signed up to a scooter training lesson provided by South Glos Council (but delivered by myself). This session includes safety, manoeuvrability and skill. I would like to run this on Wednesday 1st October in the morning, but it would help to get your child's information first to help organise it. They will need a scooter with a working brake and a helmet. However, with your permission we may be able to share resources. Please email me if the following applies to your child

1. I would not like my child to participate.
2. I would like my child to participate but they do have everything that is needed.
3. I would not like my child's scooter or helmet to be lent to another child.

Yours Sincerely,

Mrs Liz Cannock
