Dear Parents and Families,

### **Blaise High School – GLT Winter Concert 2025**

Blaise High School is proud to be a part of Greenshaw Learning Trust. This year, we are thrilled to be participating in the GLT Winter Concert 2025, celebrating students from Blaise High School, as well as eight other schools in our Trust's family of schools. We will be joined by GLT's Director of Secondary Education, Izzy Ambrose, and our Chief Executive Officer, William Smith.

We would love you and your family to join us for this wonderful event, which will be held at Clifton College on Monday 15<sup>th</sup> December 2025. We are hoping to fill the Chapel to celebrate students from our community and we welcome you to join us, to see what kinds of events and festivals we offer at Blaise High School.

These events are real highlights in our calendar, bringing together students from across our secondary schools for an evening that showcases not only their talent, but also the strength of our collective work as a Trust. The students involved have been rehearsing for months, committing their time, energy, and creativity to deliver performances they can be proud of.

We would love as many pupils and their families to attend as possible, both to support the students and to experience the sense of togetherness that comes from seeing young people from different schools perform as one. It's a fantastic way to end the term and a reminder of the powerful community we're all a part of - it's also an event that we hope your children could be part of in the coming years.

Tickets are free and everyone is welcome - pupils, parents and the wider community.
