27<sup>th</sup> March 2017

Dear Parents and Carers

**Re: Statutory Inspection of Anglican and Methodist Schools (SIAMS) Report**

You may or may not have been aware that on Thursday 9<sup>th</sup> March 2017 the distinctiveness and effectiveness of St Peter's as an Anglican/Methodist school was inspected. These inspections occur every 5 years and the inspector meets parents, staff, governors and pupils; observes lessons and the collective act of worship; and reviews all the relevant policies and procedures.

I am pleased to say that we have now received the report of the inspection. The report shows that **the school has been judged good in all aspects** apart from "How the school, through its distinctive Christian character, meets the needs of all its learners", **which has been judged to be outstanding.**

I am naturally delighted that the hard work of all the adults involved with the school as well as that of the children has been recognised in this way. I would, however, like to take this opportunity to pay particular tribute to the work of Mrs Jacqueline Jones (RE leader) and the Reverend Ann Parker for their passion and enthusiasm for this very significant part of what our school offers to all its children.

The full report has been placed on the school website and a paper copy is available from the school office should require one.

Thank you once again for your continued support for our school.

Yours sincerely
