

PICK 'N' MIX HOMEWORK CLASS: 5 TOPIC: Hearts & Minds TERM: 2

ENQUIRY: *Should humans use animals to improve their lives?*

ENGLISH

- Write or record a diary/video diary sharing your current thoughts and feelings that you would share with someone else, like Cameron does to Alex in Pig Heart Boy.
- Write and correctly punctuate speech in a conversation that you would have with Dr Bryce if you met him.

PSHE/ COLLECTIVE WORSHIP

- Our value this term is trust. Where can you recognise trust in your life? What about in Pig Heart Boy?
- Consider how animals and humans impact upon each others lives daily.

HUMANITIES

- Research areas of the world that use animals to help them in different ways to us. Locate the area on a map and explain the differences in the way in which animals help them.
- Create a map with for your local area.

CREATIVE DEVELOPMENT

- What do we need to do to keep our Hearts and Minds healthy? Create a leaflet that gives advice on how to do this.
- Plan and then prepare a 'Heart Healthy' meal or snack. Explain why it is 'Heart Healthy'.

SCIENCE AND IT

- Select an animal of your choice, research it and produce a poster that clearly explains the life-cycle of the animal.
- Design an animal habitat.

MATHEMATICS

- Revise and develop confidence with written addition and subtraction calculations.
- Develop fluency with division facts.
- Refine rounding skills to the nearest 10,100, 1000 and 10,000 with up to 6 digit numbers
