

PICK 'N' MIX HOMEWORK CLASS: 6 TOPIC: SURVIVAL TERM: 3

ENGLISH

- Research and write a biography of a famous survivor, e.g. Bear Grylls
- Read a fictional book about survival, e.g. *Robinson Crusoe* by Daniel Defoe or *Running Wild* by Michael Morpurgo, and write a book review on it.

PSHE/ COLLECTIVE WORSHIP

- Is it ever right to steal? What if it was the only way to survive? Write a paragraph explaining your view.
- How do you show courage in your everyday life?

SCIENCE AND IT

- Go for a walk in a wood/ forest and look for survivor plants, e.g. ivy, mistletoe
- Research animals/ living things which have had to survive extinction, e.g. the red kite.

CREATIVE DEVELOPMENT

- Make a poster persuading people to make environmental changes in order to reduce global warming
- Create an information leaflet on how to survive in the wildness. Include information on essential survive equipment.

HUMANITIES

- Make a bird's map of your bedroom, including a key.
- Research the most hostile environments on Earth. What can survive there? How many humans have visited?
- Create a fact-file of a county of your choice.

MATHEMATICS

- Ricky McGee survived in the Australian outback for 70 days. Work out how long it was in minutes, without a calculator.
-
