

# Space!

## Understanding the World

### R.E.:

We are exploring our Christian Value 'Perseverance'.

### U.W.:

Exploring moon sand.

Playdough.

### Technology:

Using the new class laptops.

## Nurture

We are encouraging children to believe in themselves and to have a go at everything. We will be using the "Can't do it YET-I" puppet to help with this growth mind set.

## Expressive Arts and Design

Role play corner: Space station.

Space art.

Designing, making and testing rocket ships.

Making the planets.

Space sun catchers

## Phonics

Revisiting phase 2 and 3 phonics.

Constant cluster sounds.

Blending and segmenting to support writing.

Simple CVC word reading.

## Writing

Handwriting.

Writing words independently.

Beegu.

Man on the Moon.

Whatever Next!

## Maths. Number:

Recognising and writing numerals.

Simple addition.

Number to 20.

"Explore Maths" sessions.

Fluency Fish

## Shape, Space and Measure:

How high is the moon investigation.

Weight

## Stay and Play

25th January

## Outdoor Learning

Planting project.

Story building.

Den building.

## PSHE and Circle Time

If you could talk to an alien what would you tell them?

What does our planet look like to an alien?

## Music

Every Monday afternoon we will have an hour session of "beat box" run by South Gloucestershire Music Hub.

## Health and Self Care

Fighting germs with our Superpowers.

Healthy eating.

## Events: (planned so far)

January:

10th: AM MOJO active trip.

25th January: Stay and play

Books at bedtime.

February:

1st: Space dome visit
