Dear Parents and Carers

Regulations require that for public documents and display we need individual consent rather than notification from you that you do not want your child to be photographed. This would include permission for:

- Public documents eg Christmas performance videos, school prospectus and newspaper articles.
- Display and assessment purposes in school.
- School publications, including our web site.

Our policy of using first names with photographs complies with the regulations.

Please return the consent form as soon as possible to enable us to conform to the South Gloucestershire guidelines. If you have any queries or questions, please contact us.

Yours sincerely

A handwritten signature in black ink, appearing to read 'R. Buckley'.
