Friday 6th September

Dear Parent/Carer,

I hope that you had a wonderful summer break and are ready for a hardworking yet exciting year ahead. I am sure that we will have lots of fun and that it will be a truly successful year! In this letter, I will share with you some information about this term as well as the year ahead.

Topic: Our topic for this term will be World War II. Attached is an overview plan for this term so you can see what the children will be learning.

PE: PE will take place on Wednesday and Friday and children will need their full PE kit in school on those days. However, they can leave their PE kits in the classroom for the whole week to save taking it backwards and forwards between home and school. It is vital that children have kit and can take part in PE. If they are unable to do PE for any reason, they will need to bring in a signed note.

Reading: It is vital that the children read regularly (ideally every day) and are encouraged to choose reading material that they are interested in. Children will be given time to choose books in school and they will take these home to read. They are very welcome to bring in their own books from home if they are appropriately challenging. Please ensure that they complete their reading records and get you to sign them each time they have read. Reading records and reading books should be taken home and returned to school every day.

Bikeability: This starts on Thursday 12th Sept and runs for 5 weeks every Thursday. Please make sure children taking part bring in their bikes and helmets for the start of the school day.

Life Skills: Trip to Life Skills at the Create Centre, Bristol on Friday 18th October am

SATs Week: Please note this takes place on the week beginning **Monday 11th May 2019**.

Year 6 Camp: This will take place on the week beginning Monday 18th May - the week after national assessments take place. **A £40 payment is required by Fri 27th Sept which is the remainder of your deposit to secure your place on the trip.**

You are welcome to speak to me at the end of the day, if you would like an informal chat or to see some of the work that your child has been doing. If you would like to meet with me for a more

"St Peter's is a dynamic school where children are nurtured, valued and challenged to reach their full potential in a caring, stimulating environment, in which Christian values underpin all our expectations."
