

PICK 'N' MIX HOMEWORK CLASS: 3 TOPIC: Explorers TERM: 3

Humanities

- Make a map of a country you would like to explore.
- Research volcanoes and write a fact file based on what you have learnt.

Science

- Research how climate change has affected the Antarctic landscape. How has it changed since Shackleton's journey?

PSHE/ COLLECTIVE WORSHIP

- Write your own 'Good Morning' prayer to start the day with. Write it in your neatest handwriting and decorate it.

Art/DT

- Create your own volcano like the one in *Journey to the Centre of the Earth*. This website has simple instructions to follow <https://www.bbc.co.uk/cbeebies/makes/nina-and-the-neurons-volcano>
- Draw or paint a portrait of a famous explorer.
- Cook a recipe from another culture or country and take a picture of it.

WRITING

- Create your own explorers quiz to share with the class.
- Write your own adventure story based on the travels of a real or fictional explorer.
- Choose 1 explorer to research. Write ten interesting facts about them or for an extra challenge, write a short biography.

MATHEMATICS

- Keep practising your times tables using this game. <https://www.topmarks.co.uk/maths-games/hit-the-button>
- Write your own word maths questions based on explorers and see if the class can solve them.
- Why do we need to learn maths at school? Speak to your family and make a list of times they need to use maths in their day-to-day life or jobs.
