

To be shared in class: Thursday 2nd April

ENGLISH

- Design your own Superhero. Draw them, label and explain their powers and how they acquired them (origin story)
- Create your own comic strip, using your own characters or using those from Electrigirl.

PSHE/ COLLECTIVE WORSHIP

- If you have been to a special ceremony, for example a wedding or baptism. Explain what happened and its importance to the people involved.

SCIENCE AND COMPUTING

- Research a country of your choosing and present the information in an eye-catching way. What is the temperature? Most popular tourist attraction? Language spoken? Currency?

PHYSICAL ACTIVITY

- Make a record of your physical activity for one week. Include clubs, fit for five and PE lessons. If you have a Fitbit, write down your steps too. What do you notice? Has this made you exercise more?

MATHEMATICS

- Some children have planted sunflowers and they are measuring their height. Order the children's sunflowers in both ascending and descending order.
