

# PICK 'N' MIX HOMEWORK Term 4: What if dinosaurs were not extinct?

## Phonics and Reading

- Can you find and read any other story books about dinosaurs?
- Carry on practising your Reading and Spelling Rockets.

## Science

- Choose your favourite toy... what materials do you think the inventor used to make it? Why do you think they chose those materials?

## PSHE/ COLLECTIVE WORSHIP

- Think about what special occasions we celebrate at school or that you celebrate as a family. Discuss these with your family.

## Art/DT

- Can you create art work of dinosaurs? You could use collage, sketching, painting or anything else you can think of!

## WRITING

- Can you write your own short story where a dinosaur is one of the characters?
- Do you know any cool facts about dinosaurs? Can you create some fun fact cards to show in school?

## MATHEMATICS

- What different ways do your family members measure things at home?
- Can you help an adult measure ingredients when they are cooking?
- How tall are you? How could you find out?
