

PICK 'N' MIX HOMEWORK CLASS: 3 Enquiry: What if wolves were reintroduced to the UK? TERM: 4

Humanities

- Research where wolves live around the world and mark this on a map.

Science

- What sort of habitat does a wolf need to survive? Research this and present your findings.

PSHE/ COLLECTIVE WORSHIP

- Our Christian value this term is forgiveness. Write about a time you have had to forgive someone. Explain what happened and how you felt.

Art/DT

- Design and create a wolf mask.
- In 'Wolves in the Walls', Neil Gaiman uses collage technique to create art using a mixture of photographs and drawings. Create your own collage in the same style.
- Draw or paint a picture of a wolf.

WRITING

- Write an acrostic poem using the word WOLF. Publish and decorate your poem.
- Create a persuasive poster arguing that wolves should or shouldn't be reintroduced back into the UK.
- Imagine you are describing a wolf to someone who has never seen one before. Use creative and descriptive language.

MATHEMATICS

- Keep practising your times tables using Times Tables Rock Stars or this game: <https://www.topmarks.co.uk/maths-games/hit-the-button>
- Practise telling the time at every opportunity! Write out a daily schedule which includes which are important to you e.g. bed time, lunch time.
