In 2018, a school will be above the floor if at least **65 per cent** of pupils meet the expected standard in **reading, writing and maths** at key stage 2, or if it achieves “sufficient progress scores” in all three subjects.

This year, the required progress scores are **-5 in reading, -5 in maths and -7 in writing**.

- Although we haven't made the floor standard for attainment early analysis suggests that are progress scores have met the range stated above.

St Peter's Early Progress data: - **2.95 in reading, 0.57 in maths and 0.34 in writing**.
