Friday 11th September

Dear Parent/Carer,

I hope that you managed to have an enjoyable summer break and are ready for an unusual and challenging yet hardworking and exciting year ahead. I am sure that we will have lots of fun and that it will be a truly successful year! In this letter, I will share with you some information about this term as well as the year ahead.

Topic: Over the first two weeks of the term our topic has been based around the book 'Here We Are: Notes for Living on Planet Earth' where the aim has been to support the children to re-connect with each other and re-engage with school life after such a long absence from school in these unusual times.. Our topic for the rest of this term will be World War II. Attached is an overview plan for this term so you can see what the children will be learning.

PE: PE will take place on Tuesday and Friday and children will need to wear their school PE kit in to school on those days. If they are unable to do PE for any reason, children will need to bring in a signed note or an email can be sent to the office which will be forwarded to me.

Reading: It is vital that the children read regularly (ideally every day) and are encouraged to choose reading material that they are interested. Children will be given time to choose books in school and they will take these home to read. They are very welcome to bring in their own books from home if they are appropriately challenging. Please ensure that they complete their reading records and get you to sign them each time they have read. Reading records and reading books should be taken home and returned to school every day.

SATs Week: Please note this takes place on the week beginning **Monday 10th May 2020.**

If you would like to contact me to discuss you child please contact the office and we can

Yours sincerely,

Paul Truan

"St Peter's is a dynamic school where children are nurtured, valued and challenged to reach their full potential in a caring, stimulating environment, in which Christian values underpin all our expectations."
