

Maths:

- Multiplication and Division

Computing:

Online Safety

Science:

Living things and their habitats.

We will look at the differences in the life cycles of mammals, amphibians, insects and birds.

English:

Our quality text that we will be focusing on is The Great Kapok Tree.

We will also look at the Greenpeace work around industrial meat farming and how this is causing deforestation.

PE:

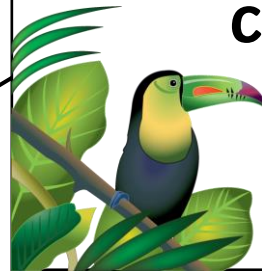

- Real PE: Unit 2
- Hockey/Cricket

Jigsaw:

Celebrating Difference

Art/D&T:

The children will look at the work of Oenone Hammersley.

**Class: 5 Term: 2**

Why should we protect our rainforests?

RE: Incarnation

Was Jesus the Messiah? Children will identify gospel and prophecy texts and explain connections between biblical texts. Children will also look at how Christians put their beliefs into practice in different ways to celebrate Christmas.

French:**All around town**

Children will be able to locate some of France's key cities, say in French what features are found in their town, use multiples of ten to do simple calculations, ask and give addresses and use a bilingual dictionary to translate French.

Wider Curriculum:

Children will continue their enquiry into the Rainforest. This term they will be focusing on the trade routes from the UK and fair trade processes. The children will also complete a comparison between tropical and polar biomes.
