

FRIENDS OF ST PETER'S

February 2021

Hello everyone!

Here is a catch up on what we are hoping to do in the coming months and what has been happening in the background.

It has been challenging with many plans having to be scrapped or modified to try to meet current restrictions. We are aware that many may be experiencing financial constraints, or worse worries. Hence, we are looking to have a mix of ways you can help raise funds and some will not cost you anything.

Please see the next pages for what we are hoping to do and how you can help....

But first,

Huge Thanks!

Many will be aware that the sheds storing the sports equipment were in dire need of replacement!

This has now been done. Special thanks must go to Alan Coward & Son for providing a 20ft container and Tim Roper Garden Contractor for removing the old sheds and laying suitable foundations.

VIRTUAL QUIZ NIGHT

Raising money this year for:

Fitting out & painting the container for the sports equipment
EYFS play area
Scrapstore subscription

*These are subject to change. Proposals are being worked on these, many delayed or may be impacted by Covid-19 restrictions.

How can you help and it won't cost you anything?

Please remember to use easyfundraising every time you shop online! Over 4,000 shops and sites will donate, so you can raise FREE donations for us no matter what you're buying. These donations really help us out, so please sign up if you haven't yet. It's easy and FREE! You can get started at

When we are able, we plan to raise funds through selling second-hand uniform. So please keep any items which can be used as school uniform - white tops, shorts, skirts, trousers, and PE kit as well as the usual branded jumpers and cardigans.

We are also thinking about extending this to include coats, hats, gloves and shoes or trainers. With children growing and finances getting tighter we thought this should be tried.

These items will be placed in separate small recycling bins...

As we are also hoping to install a large textile recycling bin! More details to follow.

Save the date....
