Dear Parent/Carer

Uniform Ordering

We have been looking at ways to improve our current uniform ordering system and are pleased to advise that it is now possible for you to order uniform directly from our supplier Price and Buckland via their website.

We still have a supply of uniform in school however will not replenish this stock when it has been sold. We request that you do enquire with us first if we have the sizes you require in stock before ordering on-line. This will allow us to ensure all of the stock we have purchased is sold however we fully understand that it may be more convenient for you to order directly and this is entirely up to you.

We will retain a sample of each size in school to assist with ensuring you are able to order the correct sizes. (This will obviously only be possible once lockdown measures have been lifted and the school has re-opened).

The website can be accessed by following this link www.pbuniform-online.co.uk/stpetersprimaryschool where you will find information regarding prices, ordering and delivery options. Ordering online allows you to pay directly and securely.

You will notice that a delivery charge will apply if you choose to have your items delivered to your home address. As an alternative, we are able to accept deliveries into school for you to collect free of charge. Deliveries will be made twice per month during term time.

Please contact Mrs Emma Pople in the school office if you wish to order uniform (while we still have stock) or if you have any queries.

Kind Regards

Clare Trayler
School Business Manager
