### Virtual Parent Forum

Dear Parent/Carer,

I would like to invite you to the first Parent Forum of the summer terms. **This will take place on Wednesday 5<sup>th</sup> May 2021.** As has been the case for a while now, the forum will continue to be held online, hosted on Zoom by myself. A message with the sign-in details for the meeting will be sent out nearer the time.

Since we began our parent forums in 2018, they have been a positive opportunity for family members from across our school community to meet together to discuss school improvement issues and ask any questions of myself to do with school life. This will continue to be the format, with **the forum being open to families from all year groups.**

Finally, I wanted to take this opportunity to thank you for your continued support of our school this year. I look forward to seeing as many of you as possible at the Parent Forum on the 5<sup>th</sup> May

Best wishes,

Rhys Buckley
